Pickleball Canada Integrated Pickleball Platform

June 29

General information on the National System (NS) program is available from the Pickleball Canada webpage dedicated to this program :

[Membership Benefits – Pickleball Canada – A sport for all / Un sport pour tous](#)

The NS platform has been developed by Trackie.ca and has been deployed successfully with Track and Field Canada. It is now integrated into the PCO membership and management system.

The purpose of this presentation is to give individuals a process to set up their profiles with PCO and register with available Pickleball Club(s) of their choice.

Registering: To access the system, go to <https://pickleballcanada.org/> and click on **JOIN-RENEW**. On the next screen also click on JOIN or RENEW

JOIN-RENEW

Pickleball is one of the fastest growing sports.

To help you enjoy pickleball and develop the sport in your community join the dynamic, integrated Canadian pickleball system. Be part of the pickleball nation! Realize the personal benefits – improve your game and enjoy the sport. By joining you'll also be supporting the development of pickleball in your community and province/territory.

For more about the benefits of belonging to Pickleball Canada, [click here](#).

When you hit the JOIN-RENEW button on the Pickleball Canada website it is your one-stop location for joining a club (if you wish to belong to one), your provincial or territorial pickleball organization, and Pickleball Canada. This is called the Pickleball Canada National System (PCNS).

- To join Pickleball Canada you must also join your provincial or territorial sports organization (PTSO) – other than if you live in PEI, NWT or Nunavut.
- If you are not a resident of Canada, you would select "Non-Canadian resident" under the Province drop-down.
- You do not have to join a club – when it asks for your club you would select "V-Club 'Province' (I don't belong to a club)"

What are my membership fees?

The three entities – Pickleball Canada, the PTSO and the club each determine their membership fee. You pay all the fees at once and the PCNS automatically credits the three partners. As of April 1, 2021 the Pickleball Canada fee is \$10 a year. The year runs from January 1st to December 31st. If you join Pickleball Canada on October 1st or later in the year your membership will extend to December 31st of the following year.

Pickleball Canada Registration

Our new registration system allows you to register at one time with your club, if you belong to one, your provincial or territorial sports organization (PTSO) and Pickleball Canada. If you belong to more than one club, you will only register with Pickleball Canada once! If you belong to more than one club and they are in different provinces/territories you will be required to join each of the PTSOs.

Thank you for supporting Pickleball Canada with your membership.

In these unprecedented times, it is important to come together in our pickleball community across the country, in your province and in your hometown.

Pickleball Canada and the provinces are here for you, our members.

We continue the work off court on all things pickleball: officiating, upgraded technology platforms, rankings/ratings, league/ladder play, youth and recreational play, and of course, insurance - we've got you covered!

As we all look forward to getting back on the courts after the COVID-19 crisis, Pickleball Canada is developing the tools, programs and services to grow our great game!

Stay safe!

Thank you on behalf of Pickleball Canada and your provincial association
